

The Village of Cumberland

Utility Billing First Quarter 2014

With this leaflet, you will have received your first quarterly utility bill for sewer, water and solid waste services.

Payments can now be made through your online banking services or in person at participating financial institutions. When paying your bill online use the Village of Cumberland Utility Account Payee. Your account number is the 11 digit number located on the top right-hand corner of the utility bill, excluding the period. Please allow two business days for processing of payments. All service costs to the municipality have been waived by participating financial institutions.

Participating financial institutions are

- Royal Bank of Canada
- TD Bank
- Scotiabank
- Credit Unions *
- National Bank

**Please check with your credit union to confirm it offers this service.*

Please inquire with your financial institution if it does not appear on this list.

Utility Bill Due Date:

**April 30th
2014**

Pay your bill by
April 30th to
avoid a 10%
penalty.

It's Time to Use your Water Wisely.

1. Consumption based water billing will begin on April 1, 2014.
2. Your next utility bill will be issued in July for the April/May/June billing period. You will be billed based on your consumption of water in this period.
3. Your last mock water bill will arrive in April 2014 for the January/February/March 2014 billing period.
4. Search "water conservation" at cumberland.ca for more information on reducing your water consumption.
