Street Light Request

Proposed Location: _____
Use the civic address closest to an existing BC Hydro power pole or the pole tag no.

I support the installation of a street light at the above location (all residents within 30m).

Resident Name	Address	Signature

Streetlight requests are prioritized based on

- public safety on roadways and crosswalks,
- traffic and pedestrian volumes, and
- budget availability

In rural areas, streetlights are generally limited to intersections, curves and cul-de-sacs.
