# Independent Auditor's Report

---

To the Mayor and Council of Corporation of the Village of Cumberland:

## Opinion

We have audited the financial statements of Corporation of the Village of Cumberland (the "Village"), which comprise the statement of financial position as at December 31, 2019, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Village as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Village in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Other Matter

The financial statements of the Village for the year ended December 31, 2018 were audited by another firm of public accountants who issued an unqualified audit opinion on April 23, 2019.

## Other Information

Management is responsible for the other information, consisting of the annual report, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and the Council for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Village's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Village or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Village's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Village's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Village to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

*Please see accompanying notes to the consolidated financial statements.*

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

The Corporation of the Village of Cumberland (the “Municipality”) was incorporated in 1898 under the provisions of the *British Columbia Municipal Act and is subject to the provisions of the Community Charter and related legislation*. Its principal activities are the provision of local government services to the residents of the Municipality.

**1. SIGNIFICANT ACCOUNTING POLICIES**

- a) It is the Municipality’s policy to follow Canadian public sector accounting standards (PSAS) as developed by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.
- b) In accordance with PSAS, the Municipality reports a combination of all funds. The financial statements reflect the removal of internal transactions and balances.
- c) Financial instruments consist of cash and cash equivalents, receivables, investments, accounts payable and accrued liabilities, trusts and other deposits, and debenture and long-term debt. Unless otherwise noted, it is management’s opinion that the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments.
- d) Tangible capital assets and other non-financial assets are accounted for as non-financial assets by the Municipality because they can be used to provide municipal services in future periods. These assets do not normally provide resources to discharge liabilities unless they are sold.
- e) Cash and cash equivalents include short-term deposits held both with the Municipal Finance Authority (in its Money Market Fund) and with the First Credit Union and are carried at cost, which approximates market value. The short-term deposits have maturities of less than 90 days at the time of purchase and/or can be liquidated on demand.
- f) Investments represent term deposits with maturities in excess of 90 days and are recorded at cost.
- g) Inventories are valued at the lower of cost and replacement value.
- h) Sources of Funds for the Municipality
  - i) Tax revenues are recognized in the year that they are levied.
  - ii) Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Restricted grants are recognized when the related expenses are incurred and when collection is reasonably assured.
  - iii) Other transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.
  - iv) Sewer and water fees are recognized when the commodity has been used by the customer.
  - v) Other sales of services and other revenue from own sources are recognized when the service is provided or the amount is earned and when the amount can be estimated and collection is reasonably assured.
  - vi) Restricted revenues from collections of development cost charges are deferred and then recognized as revenue in the year that an expense, authorized by bylaw, is incurred.

**The Corporation of the Village of Cumberland**  
**Notes to Financial Statements**  
**Year Ended DECEMBER 31, 2019**

- i) The Municipality is statutorily obligated to collect and transmit the tax levies of the following bodies:
  - i) Provincial Government – Schools;
  - ii) Provincial Government – Police;
  - iii) Comox Valley Regional District;
  - iv) Regional Hospital District of Comox Strathcona;
  - v) British Columbia Assessment Authority;
  - vi) Municipal Finance Authority; and
  - vii) Vancouver Island Regional Library.

Such levies are not included in the revenues of the Municipality.

- j) Expenses are recorded in the period in which the goods or services are acquired and a liability is incurred.
- k) The preparation of financial statements in conformity with PSAS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenditures during the reporting period. Significant areas requiring the use of estimates include the ability to collect property taxes receivable and accounts receivable, obsolete or damaged inventory, amortization of tangible capital assets and post employment benefits. Actual results may vary from the estimates and adjustments, if any, will be reported and reflected in operations, as they become known.
- l) The Municipality recognizes the expenses relating to employee benefits in the period in which the employees render the services in return for the benefits, including compensated employee absences that accumulate but do not vest. Absences due to employee illness are paid when an injury or illness occurs, but entitlement to such compensation arises as employees render service. Entitlement to compensated absence due to illness or injury is measured as the expected future utilization of this benefit.

**The Corporation of the Village of Cumberland**  
**Notes to Financial Statements**  
**Year Ended DECEMBER 31, 2019**

- m) Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Buildings	25-40
Equipment, furniture and vehicles	5-15
Water and waste water plant and networks	
Underground networks	60-100
Plants and lift stations	50-100
Pumping stations and reservoirs	100
Other infrastructure	50-100
Transportation	
Road surfaces	15-25
Road base structure	75
Poles and luminaries	100
Parks and other	
Land improvements	10-40
Playing fields and trails	15-20
Parking lots	10-20

Contributions of tangible capital assets are recorded as an asset at their fair value at the date of receipt and as revenue.

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases and the associated asset is recorded at the lower of the present value of future minimum lease payments or fair value.

- n) Liability For Contaminated Sites

Contaminated sites are a result of contamination of a chemical, organic or radioactive material or live organism that exceeds an environmental standard, being introduced into soil, water or sediment. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all of the following criteria are met:

- i) an environmental standard exists;
- ii) contamination exceeds the environmental standard;
- iii) the Municipality is directly responsible or accepts responsibility; and
- iv) is directly responsible; or
- v) accepts responsibility; and
- vi) a reasonable estimate of the amount can be made.

As at December 31, 2019 and 2018 the Municipality has reported no liabilities related to contaminated sites.

**The Corporation of the Village of Cumberland**  
**Notes to Financial Statements**  
**Year Ended DECEMBER 31, 2019**

**2. ACCOUNTS RECEIVABLE**

Accounts receivable is comprised of the following:

	<b>2019</b>	<b>2018</b>
Due from federal government	\$ 313,883	\$ 1,580,244
Due from provincial government	197,264	216,914
Due from other governments	54,360	46,129
Other receivables	584,620	634,624
	<b>\$ 1,150,127</b>	<b>\$ 2,477,911</b>

**3. INVESTMENTS**

Investments are comprised of the following:

	<b>2019</b>	<b>2018</b>
Credit Union Term Deposits with interest rates of 2.64% (2018 – 2.70%)	\$ 3,880,000	\$ 4,082,627
Emergency & Safety Reserve Term Deposit with interest rate of 2.64% (2018 – 2.70%)	502,000	209,924
Parkland Reserve Credit Union Term Deposit with interest rate of 2.64% (2018 – 2.70%)	106,133	102,300
Sewer Capital Reserve Term Deposit with interest rate of 2.64% (2018 – 2.70%)	316,000	237,363
	<b>\$ 4,804,133</b>	<b>\$ 4,632,214</b>

**4. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES**

Account payable is comprised of the following:

	<b>2019</b>	<b>2018</b>
Due to federal government	\$ 4,609	\$ 3,213
Due to provincial government	25	235
Due to other government	429	1,507
Salaries, wages and benefits payable	562,622	394,333
Other payables	535,941	1,416,246
	<b>\$ 1,103,626</b>	<b>\$ 1,815,534</b>

**5. SERVICE AND OTHER DEPOSITS**

Service and other deposits are securities and deposits held by the Municipality to ensure performance of requirements under contract or for approval of development or subdivision applications, or to safeguard against damages to facilities and infrastructure. The balance includes deposits collected for building, plumbing and development permits, subdivision and landscaping performance bonds, lien holdbacks and park and facility rentals.

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

**6. BANK INDEBTEDNESS**

The Municipality has an available unsecured line of credit of \$2 million from the First Line Credit Union bearing interest at prime. No balance was drawn on the line of credit as at December 31, 2019 (2018 – \$Nil).

**7. DEFERRED REVENUE**

	<b>Balance 31-Dec-18</b>	<b>Collections</b>	<b>Recognized As Revenue</b>	<b>Interest Income</b>	<b>Balance 31-Dec-19</b>
Deferred Revenue – DCC					
Parks	\$ 483,997	\$ 207,390	\$ (5,382)	\$ 14,230	\$ 700,235
Roads	553,468	209,929	(15,035)	15,986	764,348
Sanitary Sewer	1,564,848	843,914	(15,282)	47,833	2,441,313
Storm Drainage	94,334	76,162	(5,382)	3,064	168,178
Waterworks	225,302	283,313	(5,382)	8,075	511,308
	<u>2,921,949</u>	<u>1,620,708</u>	<u>(46,463)</u>	<u>89,188</u>	<u>4,585,382</u>
Other Deferred	690,938	696,220	(677,629)	9,805	719,334
	<u><b>\$ 3,612,887</b></u>	<u><b>\$ 2,316,928</b></u>	<u><b>\$ (724,092)</b></u>	<u><b>\$ 98,993</b></u>	<u><b>\$ 5,304,716</b></u>

**8. CONTINGENT LIABILITIES**

- a) The Municipality's loan agreements with the Comox Valley Regional District and the Municipal Finance Authority provide that if at any time the scheduled payments required are not sufficient to meet obligations in regards to borrowings, the resulting deficiency becomes a joint and several liability of the Municipality and the other member Municipalities.
- b) The Municipality is involved with a number of legal actions, the outcomes of which cannot be determined at this time. Management has determined that any potential liabilities arising from these outstanding claims are not significant.
- c) As at December 31, 2019, the Municipality has no record of any assessment appeals pending with respect to properties.
- d) The Municipality is a Subscribed member of the Municipal Insurance Association of British Columbia (the "Exchange") as provided by Section 3.02 of the Insurance Act of the Province of British Columbia. The main purpose of the Exchange is to pool the risks of liability so as to lessen the impact upon any Subscriber. Under the Reciprocal Insurance Exchange Agreement the Municipality is assessed a premium and specific deductible for its claims based on population. The obligation of the Municipality with respect to the Exchange and/or contracts and obligations entered in to by the Exchange on behalf of its Subscribers in connection with the Exchange are in every case several, and not joint and several.
- e) The Municipality makes every reasonable effort to comply with all environmental regulations that apply to its operations. These regulations may require future expenditures to meet applicable standards. Amounts required to meet these obligations will be charged to operations when incurred or set aside as future reserves when they can be reasonably estimated.

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

In 2019, the Municipality received a notice from the Ministry of Environment and Climate Change Strategy (MOE) notifying them that the MOE was considering imposing a number of administrative penalties. The Municipality has been in remediation meetings with the MOE, and at this point is unable to determine the administrative penalties to be levied and as a result, no liability has been recorded.

**9. LONG-TERM DEBT**

- a) The Municipality is party to several equipment loans financed through the Municipal Finance Authority for the acquisition of vehicles and operating equipment. Loan terms are five years or less. The vehicles and equipment under these loans have a carrying value of \$564,753 (2018 - \$608,894) and are recorded as non-financial assets in the statements.

The following is a schedule of future minimum loan payments under the equipment financing loans with various expiry dates to 2024 together with the balance of the obligations under the loans, which is included in the debenture and long-term debt as detailed in Schedule 2:

2020	\$	142,521
2021		83,610
2022		74,565
2023		59,765
2024		7,006
Total minimum loan payments		367,467
Less: amount representing interest (December 31 <sup>st</sup> at 2.58%)		(15,118)
Obligations under equipment loans	<b>\$</b>	<b>352,349</b>

- b) Principal payments on debenture and long-term debt over the next five years are as follows:

2020	\$	299,713
2021		1,770,862

Total balance for equipment loans, debenture and long-term debt equal \$4,573,894 (2018 - \$3,154,008).

**10. DEPOSITS AND RESERVES – MUNICIPAL FINANCE AUTHORITY**

Under borrowing arrangements with the Municipal Finance Authority (MFA), the Municipality is required to lodge security by means of demand notes and interest-bearing cash deposits based on the amount of the borrowing. As the debt principal is retired, demand notes are released and the cash deposits are refunded and recorded as operating income in the period received.

As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA as a debt reserve fund. These deposits, which are contingent in nature, are held by the MFA to act as security against the possibility of debt repayment default, and together with the demand notes are not recorded in the accounts. If the debt is repaid without default, the deposits are refunded to the Municipality.

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

Cash deposits at December 31, 2019 equal to \$35,213 (2018 - \$34,412) and are not reported elsewhere in these financial statements.

**11. EMPLOYEE BENEFITS LIABILITY**

Employees who retire qualify for a one-time payout of up to 72 days of their accumulated unused sick leave bank after 10 years of service. The Municipality calculates the value of this liability for employees based on review of the total vested and non-vested accrued time to date.

Probabilities of 10 – 100% are assigned based on years of service and length of time to retirement and discounted at 2.58% (2018 – 2.80%). At December 31, 2019, the value of sick leave for all vested employees is calculated at \$75,765 (2018 - \$78,524). The total estimated employee retirement benefit liability at December 31, 2019 is \$245,939 (2018 - \$222,122). Employee retirement benefit amounts are being funded by an accounting charge on sick time accrued during the year and are included in the accounts payable and accrued liabilities.

**12. PENSION LIABILITY**

The Municipality and its employees contribute to the Municipal Pension Plan (the “Plan”), a jointly trustee pension plan. The Board of trustees, representing Plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2018, the Plan has approximately 205,000 active members and approximately 101,000 retired members. Active members include approximately 40,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the Plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the Plan. The actuary’s calculated contribution rate is based on the entry- age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the Plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2021 with results available later in 2022. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The Municipality paid \$191,872 (2018 - \$170,499) for employer contributions while employees contributed \$168,879 (2018 - \$150,268) to the Plan in fiscal 2019.

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

**13. TRUST FUNDS**

Cash and cash equivalents at December 31, 2019 held in trust by the Municipality for cemetery care equal to \$64,957 (2019 - \$59,282). Neither the assets nor related liabilities have been recorded in the financial statements.

**14. ANNUAL BUDGET**

Budget figures are based on the *2019-2023 Financial Plan Bylaw No. 1092, 2018* approved by Council in January of 2019. Figures are presented on the basis used for actual results and were adjusted as follows to comply with financial statement presentation:

Surplus per 2019 – 2023 Financial Plan	\$ -
Remove proceeds from borrowing	(5,891,725)
Remove principal payments on debt	407,030
Add back amortization	(1,403,775)
Remove capital acquisitions	13,090,555
Transfer to reserves	(1,459,735)
Surplus restated for financial statement purposes	<u>\$ 4,742,350</u>

During the year, the adopted budget can be amended and Council will adopt a new bylaw to reflect the approved amendments. A reconciliation between the original financial plan adopted by Council by May 15th of each year and the final amended financial plan bylaw is as follows:

	<b>Original Financial Plan Bylaw 1092</b>	<b>Final Amended Financial Plan Bylaw 1124</b>	<b>Difference</b>
Revenues	\$ (10,432,930)	\$ (10,755,145)	\$ (322,215)

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

**15. FEDERAL GAS TAX AGREEMENT FUNDS**

Gas Tax Agreement funding is provided by the Government of Canada. The use of the funding is established by a funding agreement between the local government and the Union of British Columbia Municipalities. Gas Tax Agreement funding may be used towards designated categories that include public transit, community energy, water, wastewater, solid waste, transportation, tourism, sports, culture and recreation infrastructure, disaster mitigation and capacity building projects, as specified in the funding agreements.

Revenues under the Community Works Fund portion of the program will be recognized when allocated to the Municipality.

The Municipality continues to track the unspent amounts in the Community Works Reserve Fund. The continuity of this fund is presented in the table below:

	<b>2019</b>	<b>2018</b>
Opening balance of unspent funds	\$ 157,996	\$ 211,593
Add:		
Amounts received during the year	418,369	205,269
Interest earned on funds	7,249	7,230
Less:		
Amounts allocated to projects during the year	(183,551)	(266,096)
Closing balance of unspent funds	<b>\$ 400,063</b>	<b>\$ 157,996</b>

**The Corporation of the Village of Cumberland**  
**Notes to Financial Statements**  
**Year Ended DECEMBER 31, 2019**

**16. ACCUMULATED SURPLUS**

Operating Funds - comprise the principal operating activities of the Municipality and are separated into General, Water, and Sanitary Sewer Funds.

Reserve Funds - created to hold cash, and investments for specific future requirements.

Equity In Tangible Capital Assets - used to record the acquisition and disposal of tangible capital assets and related financing and similarly separated into General, Water and Sanitary Sewer Funds.

<b>Accumulated Surplus:</b>	<b>2019</b>	<b>2018</b>
Operating Funds:

Accumulated Surplus	<u><b>\$ 61,165,115</b></u>	<u><b>\$ 56,818,805</b></u>

**17. CONTRACTUAL RIGHTS AND COMMITMENTS**

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. As at December 31, 2019, the Municipality had the following contractual rights and significant commitments:

The significant contractual rights of the Municipality consisted of developer contributions. These rights exist as the Municipality has entered into a number of public works development agreements which require the developers to contribute various infrastructure assets to the Municipality, including roads and underground utilities. The timing and extent of these future contributions vary depending on development activity and fair value of the assets received at time of contribution. The contributions will be recorded as revenue based on the fair value of the assets received at the time that the Municipality assumes the risks and responsibilities related to the assets.

On December 11, 2018, the Municipality entered into an agreement with Fort Garry Fire Trucks Ltd. to purchase a fire truck with delivery date of November 22, 2019 for \$501,869 before taxes. Due to modifications to the original design, the cost increased to \$543,884 inclusive of PST and the fire truck was received on March 6, 2020.

**18. SEGMENTED INFORMATION**

The Municipality is a diversified local government institution that provides a wide range of services to its citizens, including the provision of water, sewer, garbage disposal, recreation, parks, and cemetery services. The services and functions of the Municipality have been segregated or grouped based on factors such as delivery method, similarity in regulations, restrictions or cost recovery and the nature of the service as voluntary or essential services. Consideration has been given to comparability to other Municipal bodies.

The segments are categorized and described as follows:

**General Government Services**

This segment includes activities pertaining to the general administration and governance of the organization and those services that are provided on a centralized basis for all other segments and departments of the organization. Council, management, corporate and financial services are included as are other general costs which are not easily allocated to individual activity areas.

**Transportation Services**

This segment includes general roadway maintenance and upgrade, street lighting, sidewalk and other general duties of the Public Works department. The Department is responsible to ensure transportation infrastructure is safe and well maintained.

**Protective Services**

This segment includes fire protection services, emergency preparedness, bylaw enforcement and animal control. The function's mandate is to ensure the safety of the lives and property of citizens and preserve peace and good order.

**The Corporation of the Village of Cumberland  
Notes to Financial Statements  
Year Ended DECEMBER 31, 2019**

**Environmental Health Services**

The Water and Waste segment consists of three distinct utilities: sewerage and drainage, water, and solid waste disposal. The department provides collection and treatment of sewage and storm water, treatment and delivery of drinking water and contracts garbage collection and recycling services. Ensuring environmental and public safety standards are the key concern for the functions within this segment.

**Public Health Services**

The Municipality owns and/or operates three cemeteries. Although some of the maintenance activities are similar to those provided in the Parks function, a larger portion of the cost and activity is specific to performing cemetery services. The function has been segregated due to the unique regulatory requirements and because these services would be delivered as a separate business function in the private sector. The administrative and maintenance services for this function are divided between two departments but costs for administration are not substantial nor easily attributed to this function and are, therefore, not reallocated from General Government.

**Environmental Planning and Development Services**

The Planning Department manages land use planning, building and development functions. The department is responsible for ensuring that these functions are planned and managed to address environmental and building regulations, heritage matters and community and public concerns.

**Recreation and Cultural Services**

This segment captures all activities relating to the health and well-being of the citizens and community. The function includes recreational services such as a fitness centre and gym, facilities rentals and contributions to community and cultural events as well as provision and maintenance of parks and park facilities. The services in this category are not considered essential services but are important for economic and community development.

For each reported segment, revenues represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Property taxes, payments in lieu and the small community grant funds are apportioned based on budget with any variance in actual revenue being attributed back to General Government. All other revenues can be directly attributed to a particular segment. With the exception of some general fiscal services and centralized supply and services charged directly to the General Government function, all other costs are instigated for and charged directly to the specific segments when incurred.

**19. SUBSEQUENT EVENT**

Subsequent to year-end, there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on municipalities through the restrictions put in place by the Canadian provincial and municipal governments regarding travel, municipality operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Corporation of the Village of Cumberland as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, office closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.

## Management's Responsibility for Financial Reporting

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards and are outlined under "Significant Accounting Policies" in the notes to the financial statements. Management is responsible for the integrity and objectivity of these statements and schedules.

Management maintains a system of internal controls to provide reasonable assurance that assets are safeguarded and that transactions are authorized, recorded and reported properly. Management also maintains a program of proper business compliance.

Council is responsible for reviewing and approving the financial statements and for ensuring that management fulfils its responsibilities for financial reporting and internal control.

MNP LLP, Chartered Professional Accountants, the Village's independent auditors, have conducted an examination of the financial statements in accordance with Canadian generally accepted auditing standards and have expressed their opinion in a report accompanying this statement.

A handwritten signature in blue ink that reads "Michelle Mason".
